TELSTAR OUTDISTANCES LIVERMORE FALLS, 42-8 IN GRID ENCOUNTER

Telestar's Phil Mills ran the opening kick-off back 90 yards for a touchdown to launch the Bethel team in a 42-8 blitz over host Livermore Falls High in a Mountain Valley Conference game Saturday.

The win was the third for Coach Brian Flynn's Rebels against three losses (2-3 in league play). The Rebels sunk to 0-6 in conference play.

Fullback Bo Merrill tallied from two yards out for another first quarter score and added a four-yard TD rush in the second frame. Quarterback Peter Blake hit end Dana Melville on a 40-yard scoring pass to make it 28-0 at the half. Larry Browne and Merrill each added conversions on rushes.

Telestar added touchdowns in the second half on a one-yard plunge by Ron Deegan and a 21-yard pass by Deegan to end Jeff Carver. Blake passed to Carver for the conversion. Livermore got on the scoreboard in the fourth quarter when halfback Gary Hansen turned in a 60-yard scoring run and then rushed for the two-point conversion.

Messalonskee High visits Telstar for a 1:30 contest Saturday, Oct. 24, for a Mountain Valley Conference title.

GOULD 20-6 WINNER OVER KENTS HILL GRID SQUAD

Host Gould Academy spotted Kents Hill School a first-period touchdown and then roared back with three of its own for a 20-6 victory last Saturday.

It was the fourth straight triumph for the unbeaten Huskies. The Hill-toppers are winless after two outings.

Kurt Ross raced 81 yards on the second play of the game for the only Kents Hill tally.

Gould bounced into the lead with a pair of scores in the second session. Mark Hiebert tallied the first on a 40-yard romp and Dan Vogt added the second on a two-yard plunge.

The Huskies closed the scoring on Hiebert's five-yard run in the third quarter and added the extra points via a rush.

COMMENTS FROM THE OFFICE OF THE TOWN MANAGER

Monday, Oct. 26, the office will be closed in observance of Veterans' Day.

The office staff attended the Maine Municipal Association Convention in Portland Tuesday. That was the day instruction was given to Town Clerks on how the election on Nov. 3 is to be conducted. This is an annual three-day session covering all phases of municipal problems with various days devoted to different fields.

The law now states the Town Clerk must be in office for four hours on the Saturday preceding an election. Therefore the office will be open from 8 a. m. until 12 noon Saturday, Oct. 31, to accept absentee votes. We cannot register voters as this is not a regular working day for the registrar of voters. There can be no registrations accepted Nov. 2 as we can not sign new voters the work day prior to any election.

Residents who have not obtained hunting licenses may find it difficult to do so the last week end of October. The town clerk will not be in town after the absentee voters are taken care of.

LOCAL BOY SCOUTS NOW HOLDING REGULAR MEETINGS

Bethel Troop 505 meets regularly on Tuesday evenings at the Congregational Church. The roster now includes some 12 to 15 boys and the number is expected to increase.

About a month ago Scoutmaster Romeo Baker took a number of boys on a hike which included a night at the pond on Old Spec mountain, and a night on upper Sunday River. It rained! But that is part of the game!

On Tuesday evening this week the boys demonstrated and practiced bandaging. Plans are being made for Fire Prevention, and more first aid activity.

The Troop needs Assistant Scoutmasters who can attend meetings regularly, and assist in carrying out the scouting program. Some of the boys need uniforms, in whole or in part. Any reader of this item may call Mr. Baker, telephone 324-2088, regarding delivery or pick up of any part of any scout uniform, old or new, worn or unworn!

Mr. and Mrs. Gerald Kingsbury, Mass., were week end guests of Mr. and Mrs. Ralph Berry.

Rumford Community Hospital will sponsor a six weeks nurses aide course to start Nov. 16, 1970. Interested applicants may apply at the hospital nursing office. Closing date for applying is Oct. 27, to allow time for processing by instructor, Mrs. Margaret Roberts, R. N.

SUNDAY RIVER SKIWAY PURCHASES SNOW-MAKING MACHINE

Last week the Sunday River Skiway Corporation purchased a complete snowmaking system for the Mixing Bowl, which is an Intermediate and Beginner's Slope. The slope is 2500 feet long and has a vertical rise of about 500 feet. The slope is also served by a T-bar and has a capacity of 1000 per hour.

Joseph Gmeinder, new general manager of Sunday River promises that this installation will be in operation a week before Thanksgiving, and weather permitting, skiing will begin on the complete slope at Thanksgiving. Gmeinder is very experienced with snowmaking and will be able to satisfy the best skier. The installation has been purchased from Larchmont Engineering of Lexington, Mass., who also specializes in snowmaking.

As another bonus, a Swiss ski school is possible for this coming season for Sunday River, pending final consultations.

S. A. D. 44 BOARD NAMES STAFF REPLACEMENT AT MONDAY MEETING

The board of directors of S. A. D. 44, meeting at Telstar Regional High School Monday evening, appointed Bernard Gatchell of Lewiston to succeed Frank Hunt as supervisor of buildings, grounds and transportation of the district effective Nov. 9. Mr. Gatchell attended elementary and secondary schools in South Paris and has experience as a mechanical contractor; maintenance supervisor, AVCO Job Corp; plant operations and maintenance supervisor, CMG Hospital, Lewiston, and was a bus driver while in the U. S. Army. He is married, 29 years old, and at present lives in Lewiston with his wife and three children.

Mr. Hunt agreed to stay on in his present position for an additional two weeks in order to provide an orientation period for Mr. Gatchell.

Floyd Keniston, industrial arts chairman at Telstar, described the 18 courses offered in his department and said that they offered an understanding of industry, skill in the use of tools and machinery and a desirable attitude towards living.

The board granted final approval to a policy requiring administrative staff to have home telephones where feasible.

Approval of the board was granted for a member of the Telstar Student Council to sit with the board during regular sessions without voting privileges during the 1970-71 school year. The Council had chosen John Trinward to be its representative.

David Bishop, assistant superintendent, reported on the coordination of the testing programs (both IQ and achievement) at the elementary and secondary levels.

Publication of a district newsletter was approved by the board to be effective after Jan. 1, 1971. The newsletter is to be budgeted as a separate item in fiscal 1971.

Milton Mills of Woodstock, chairman of the buildings and grounds committee, reported that the \$7,500 bid for construction of a bus garage was invalid as it was based on the original plans submitted to the architects. It was discovered that the plans forwarded to Augusta by the architects and approved by the State contained changes that could increase the amount of any bid. In view of this it was the recommendation of the committee that any further action be delayed until spring. The board accepted the recommendation.

Don Stecher of Bethel stated that the garage originally was to cost \$10,000.

GREENWOOD CITY

Mrs. Callie Morgan, Corres. — Most days this week have been too uncertain for hiking, except on one afternoon. Then four of us walked over Whitten Hill to Tubbs District and back.

The old road, the whole distance, was entirely within the forest. Above, there was a radiance, a luminous glow reflecting a golden splendor on every thing below.

Beautiful, misty clouds floated and the trees displayed their rich colors like priceless tapestry. There were the majestic spreading oaks, the towering stately pines, and many others with awe inspiring beauty regal and sublime.

From my scrap book I will share "Autumn Scene" with you. It so fully describes our trip and our fall with October's glory speaking from every page we turn.

"Upon the hills the giant trees with color are ablaze Like smoke from smoldering embers rises the late October haze. All silent and magnificent I fancied I could see

The Master Artist touching up some solitary tree.

But the glory of the landscape was a flash of crimson flame.

At the bottom of the picture where the painter signs his name.

Now I cannot speak the language of the men who paint and draw.

And with technical precision can't describe the scene I saw.

All I know is that a picture was unfolded for me to see.

And the high lights and the shadows seemed just what they ought to be.

But that gorgeous burst of color in the foreground caught my eye.

And I know it made the landscape, though I couldn't see just why.

It struck me as peculiar, where an earthly painter signs.

The Master Artist splashed His name in tangled shrubs and vines.

And as I stepped up closer I discovered and was glad

He had given that touch of splendor to the poorest stuff He had.

To the common things in summer which man scarcely sees at all

He had given the place of honor and the glory of the fall."

Christian Science
How an understanding of man's
true being helps to support moral
and other standards will be explained
Sunday at Christian Science
church services.

The subject of the Lesson Sermon
is "Prayer After Death." One of
the passages to be read from "Sci-
ence and Health with Key to the
Scriptures" by Mary Baker Eddy states:

"Being is holiness, harmony, im-
mortality. It is already proved that
a knowledge of this, even in small
degree, will uplift the physical and
moral standard of mortals, will in-
crease longevity, will purify and ele-
vate character."

The Golden Text is from Hebrews:
"And not away therefore your con-
fidence, which hath great recom-
pense of reward. For ye have need
of patience, that, after ye have done
the will of God, ye might receive the
promise."

Services held at First Church of
Christ Scientist, Main and Tenth
Streets, Bethel, N. H., begin at 11
a. m. Everyone is welcome.

HARRINGTON STATES REASON
FOR CANDIDACY

Ray Harrington, candidate for the
state legislature, representing An-
dover, Bethel, Byron, Gilead, Green-
wood, Hanover, Newry, Roxbury,
Stoneham, Upton, and the Planta-
tions of Lincoln and Magalloway, an-
nounced, to the often posed question
as to why he is a candidate, stated:

"I am sincerely concerned with the
people and the problems of the towns
I would represent. The people of my
area have been deprived of vigor-
ous representation in Augusta dur-
ing the 1960's. These people have re-
ceived far less than their fair share
of state subsidies for educa-
tion, roads, economic development,
and many other benefits other areas
of the state are receiving, but we
have been ignored."

"Most areas of the state have ex-
perienced growth in population, eco-
nomic development, state and fed-
eral subsidies, and in other respects,
but the Bethel area has remained
static. Our voice in Augusta for the
past decade has been less than in-
fluential in gaining for the citizens
of this area, their share of progress
which has come to the State of
Maine. In the past months of cam-
paigning, I have become very well
acquainted with a lot of people and
their problems. I am young, educa-
ted and enthusiastic. I honestly feel
my ambitions can be used for the
benefit of the people not only in
Bethel, but in this part of the State."

"It is not a question of what the
Republicans can do, or what the
Democrats can do. Rather, the ques-
tion is what the incumbent has not
done, as well as what should have
been done to better represent the
people of this area. I feel the party
line philosophy that the incumbent
has followed during the past ten
years, has resulted in a lack of so-
cial and economic development to
the disadvantage of the people of this
legislative district. Last year alone,
when state subsidies to education
were markedly increased across the
State, the subsidies to School Ad-
ministrative District No. 44 were cut
by better than \$15,000. I am em-
barrassed to point out to the voters
that the incumbent representative
voted in favor of cutting the state
subsidies for SAD 44."

"I am running for this office be-
cause I am concerned for my friends,
my town and my family. I am also
concerned for the many people I have
met. I know—if given a chance—my
performance would be more benefi-
cial to these people than they have
experienced in the past. The people
in this district deserve a voice in
Augusta. They have not had this
voice for the past ten years."

Susan Farrar and Lisa attended
the Professional Dance Teachers As-
sociation at the Hotel Bradford in
Boston on Sunday. The all day ses-
sion included classes in ballet, tap
and jazz with Anna Marie Lea of
Wilmington, Del., Alan Storm,
Hartford, N. H., and Bob Audy,
New York City, teaching. All are
well known in their field of dance.

**SERVICEMAN HONORED IN
POSTHUMOUS CEREMONIES**
The fourth Woodstock serviceman
to lose his life in Vietnam was hon-
ored last week in a ceremony at
the Bryant Pond Baptist Church.

Sgt. Neil MacKillop, killed in action
Feb. 1, 1969, was posthumously aw-
arded two Bronze Stars for heroism;
the Army Commendation Medal for
heroism; a Purple Heart Medal for
the wounds that cost him his life; the
Republic of Vietnam Military Merit
Medal for rare self-sacrifice and
heroism and the Gallantry Cross with
Palm. It is believed the young
soldier was one of the state's most
decorated Vietnam servicemen. Ac-
cepting the medals were his parents,
Mr. and Mrs. Howard MacKillop.

One of the Bronze Stars, the na-
tion's third highest military honor,
came with Combat V device and Oak
Leaf Cluster for heroism in ground
combat.

Citations for the Bronze Stars made
by the Department of the Army in-
dicated that Sgt. MacKillop's concern
for his fellow soldiers as well as his
willingness to take great personal
risk, resulted in the two high hon-
ors.

The Bronze Star with Combat V
and Oak Leaf Cluster resulted from
an action which led to the soldier's
death. At the time, he was serving
as a team leader with B Company,
2nd Battalion, 60th Infantry on a
reconnaissance mission in Ding Thong
Province.

The citation noted that disregard-
ing his own personal safety, Sgt.
MacKillop ran 75 meters over open
ground to lay down a heavy base
of fire into enemy positions and as
he directed his men, he was wound-
ed.

"Specialist MacKillop continued to
move through the area aiding other
wounded men and firing into enemy
emplacements until he succumbed to
his wounds."

Sgt. MacKillop earned the Army
Commendation Medal for a similar
display of bravery on Dec. 13, 1963,
while serving as a team leader with
the same outfit in the defense of Tan
Tru base camp in Long An province.

While the camp was under intense
enemy fire Sgt. MacKillop "disregard-
ing his own safety, braved the
hall of rounds, moved across more
than 40 meters of fire swept terrain
to return enemy fire and to aid and
evacuate the wounded."

On that occasion, the soldier came
through the fire light unscathed.
Sgt. MacKillop graduated from
Woodstock High School in 1967 and
was inducted into the Army on April
26, 1969. He shipped out to Vietnam
in September 1968.

TELSTAR R. H. S. NEWS

ACTIVITIES
Don't forget the Telstar Parents'
Day to be held on Wednesday, Oct.
28. All parents and friends are cor-
dially welcome, and we are looking
forward to having you spend the day
with us.

On Saturday, Oct. 17, Madame
Jeanne Thomin-Denazures, in-
structor in French, attended a meet-
ing of the A. A. T. F. (American
Association of Teachers of French),
which was held at Waterville High
School. The meeting was most con-
structive and very well attended. On
Sunday the organization sponsored
a beautiful performance by a French
troupe of a play by Camus. This was
held at Lewiston High School.

At a meeting on Monday the Tel-
star chapter of the National Honor
Society voted to set up a tutoring
service. Members will be available
for help at given times in the Lib-
rary. A schedule of tutors and the
times and subjects they will tutor will
be posted in the Library by the end
of the week.

The Library Club is accepting do-
nations on a 22-inch-high Snoopy at
the present time. Donations may be
made to Club members or at the
Library desk.

STUDENT COUNCIL NOTES:
Student Council Publicizes
Parents Day
October 28 has been designated as
open house at Telstar. The school
will be open to all citizens who wish
to observe the school in session.

A major problem seems to be that
only a few citizens will attend.
Therefore the Student Council has
voted to publicize the open
house. They plan to advertise the
event through radio, Bethel Citizen,
Leaflet, and by means of a public
address system mounted on a car,
which will hopefully be visiting your
town this Saturday.

Don't forget the date, Oct. 28th.
Come back to school for a day with
your children. Find out for yourself
whether or not education has
changed.

Slave Day at Telstar
The idea of having a Slave Day
was originated by the senior mem-
bers of the combined Latin-Spanish
Club. The main purpose of having
such a day as this was for the in-
stitution of new members of the club.

On Oct. 9th during the activity
period all new members were lined
up and Mr. Otero acting as auction-
eer sold each slave one by one. The
students who were involved with the
actual selling of the slaves, that
is those who bought, them were very
enthusiastic about the whole thing.

As Mr. Otero brought each slave
forward to be sold the bidding
would begin. Some slaves were sold
for prices which were unbelievable.
Then there was the case where two
or three people would get together and
buy a slave.

The day for the actual slave day
to occur was October 13. At this
time the slaves were to do what they
were told to do by the people who
bought them. The day turned out to
be quite interesting to see just what
the slaves were to do. Some had to
carry books and others had to wear
signs.

In all the day was very produc-
tive. This activity created interest
in the kids and showed the school
spirit which every school needs.

Bubble Spenders Spillfire's Dance
On October tenth the school news-
paper sponsored a dance featuring
"Ricky and the Spillfires." The gen-
eral opinion seemed to be that
the group was one of the best ever
to appear at Telstar. The staff hopes
this will set a precedent for future
dances. Profits amounted to only
approximately twenty dollars but
hearing the Spillfires made the ven-
ture worthwhile.

S. A. D. 44 DIRECTORS MEET

continued from Page One
\$6,000 and that later a firm bid of \$7,500, at present invalid, was received. He said he hoped the board would do some real soul-searching before spring to decide if they really want the garage.

Mr. Mills said that he had heard both sides of this issue for some time and that he wholeheartedly approves of the project because he feels the district could do maintenance at less cost than others. He went on to say that if others feel differently they should get prices by next spring.

Community Oil Co. of Auburn was awarded the gasoline bid at a net cost of 23.7 cents per gallon, subject to market fluctuation, and Home Gas Corporation (Bethel Oil Co.), the propane gas bid at a price of 19.5 cents per gallon. Both bids are for one year beginning in October.

The board approved two agreements necessary preliminary to negotiations between the board and a greater portion of the certified personnel employed by the district.

The board approved the following nominations made by Supt. Robert J. Gerardi: John Applin, girls' ski coach; Mrs. Judy Brooks, girls' basketball and girls' softball; both for the 1970-71 school year at Telstar. Not presently teaching in the district, Mrs. Brooks taught at Woodstock elementary school last year. Mr. Applin teaches in Telstar math department and serves as coach of cross country.

The directors approved the use of a district but by the Outing Club on Sunday(s).

During the "citizens" portion of the meeting, Burton Hathaway of Woodstock, a district bus driver, defended his practice of allowing citizens to leave the bus to purchase refreshments for themselves and others. He then picked the students up and continued his route. Mr. Hathaway concluded that the practice lessened discipline problems. It was pointed out that from the time a student enters a bus in the morning until he leaves in the afternoon, they are the responsibility of the school authorities. For this reason the practice must be discontinued.

Avery Angevine of Bethel contended that it would be less expensive for the district to contract repair work to local service stations and asked the board why it was considering building a bus garage.

All members of the board were present at the Monday session except Harry Swan of Greenwood.

The next regular board meeting will be held at the Andover Elementary School at 7:30 Monday evening, Nov. 2.

THE AUTUMN BREEZE TURNS THE LEAVES TO GOLD

This beautiful time of year, when plants and trees are starting to change their color, reminds us that from nature have come so many of the wonderful medicines that help us to live longer and healthier lives. We always like to recall our study of Advanced Botany in Pharmacy School where we learned how these life-giving drugs were extracted from their natural environment.

When a new drug comes on the market for sale we of course read all the available literature, and this always details the source of the product. You would be surprised how many drugs in this age of synthetics and technology still are coming from Mother Earth. You stock them.

When you need a doctor, you can phone us when you need a delivery. We will deliver without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

GET OUT AND VOTE

Michael J. O'Donnell, chairman of the Bethel Democratic Town Committee, has called a meeting of the Bethel Democratic Town Committee for Monday, Oct. 26, at his law office on Main Street, at 7:30 p. m. The purpose of the meeting is to line up support and assistance for a drive to turn out a record-breaking vote in Bethel for the Nov. 3 election. O'Donnell stated: "On Nov. 3, the people of Bethel will be faced with a clear choice of legislative candidates. Ray Harrington, the Democratic candidate is a young, vigorous individual, with the qualifications to give Bethel the quality representation which it has lacked for the past decade. Harrington's youth, intelligence and enthusiasm, certainly offer the voters of the Bethel area, qualities which are needed, but which have been lacking."

"The Democratic ticket as a whole, headed by Gov. Curtis and Sen. Muskie, as well as an exceptionally strong ticket on the county level, offers a clear choice, as well as an opportunity for quality in government. However in this day of voter apathy I would like to make a special appeal to not only Democrats—but independents and young people yet unable to vote, to attend our workshop on Monday night to assist us in informing the people as to the issues, and impressing upon them the importance of their duty and the right to vote. I feel the enthusiasm which the Democratic party has established in this area recently, is attributable not only to its fine candidates, but also to the lackluster "leadership" which the Republicans have had for too long a period of time."

O'Donnell went on to stress that the meeting set for the 26th is not restricted to Democrats of Bethel, but is open to any Democrat, Independent, or unregistered voter of Bethel as well as the surrounding communities.

Mrs. James Davis and son are visiting her mother, Mrs. Naomi Margolis in Bangor.

Receiving prizes donated by the Bethel Hospital Auxiliary at the Rumford Hospital Fair Oct. 15 were Leland Brown, Bethel, the hand-made bedspread; Josie Constanzo, Rumford, teflon pots and pans; Betty Salatino of Rumford, the electric ice cream freezer. Others from Bethel also receiving prizes were Ernest Angevine, two wool blankets from the Attie treasures booth and Margaret Belanger, hand made crib spread from the TOPS booth.
